Author: [Noel Courage](#)

**Publication:** Patent Transactions in the Life Sciences

Noel Courage contributes to the Canada chapter in *Patent Transactions in the Life Sciences: A Global Guide to Agreements in the Sector*

*Patent Transactions in the Life Sciences* is designed to provide guidance on the structure and detail of those agreements in the life sciences sector that are based on its most important assets - patents and know-how. It is also intended to cover the practical what, where, why and when of patent transactions in this sector, under the leading legal regimes.
