

Celebrating Diversity in our Local Communities

Bereskin & Parr Award for Diversity Initiative of the Year at the Canadian Law Awards. In October 2020, our firm was the sponsor of the Bereskin & Parr Award for Diversity Initiative of the Year at the Canadian Law Awards, and we are thrilled to announce we have renewed our award sponsorship for 2021. On August 17, 2021, [Scott MacKendrick](#) moderated a webinar panel entitled: "[Authentically Driving Change through Diversity and Inclusion Initiatives](#)" featuring nominees of the Bereskin & Parr Award for Diversity Initiative of the Year. Law Times published an article on the webinar "[Canadian Law Awards Panel discusses driving change through Diversity and Inclusion initiatives](#)".

Sponsoring Canadian Lawyer InHouse (CLIN) Diversity & Inclusion Webinar. Building on the valued D&I accolade Bereskin & Parr received from Chambers in 2020, we aim to stay at the forefront of this evolving initiative. Bereskin & Parr is proud to sponsor the Canadian Lawyer InHouse (CLIN) Diversity & Inclusion Webinar, which took place on October 6, 2021. The goal is to focus on organizations' D&I-related expectations from professional services and the impact of their expectations on law firms' D&I policies, practices, staffing, client relationships, hiring practices, etc. We aim to involve senior members of corporate U.S. and Canada as panelists.

The Bereskin & Parr Diversity Award. We are proud to be sponsoring a new award at the Canadian General Counsel Awards event which took place in June 2021. The Bereskin & Parr Diversity Award will recognize a law department that has demonstrated an innovative approach to encourage and promote diverse and inclusive workspaces, either within their company/organization or more broadly across their industry.

Every year, we host or support events to celebrate diversity and inclusion in our local communities such as the annual

Let's Bond Urban Ball event in Montreal, an event raising awareness on mental health issues affecting young people, and to raise funds for research. Bereskin & Parr also conducts annual Pride events with the law firms [Wildeboer Dellelce](#) and [Hicks Morley](#), and the 2020 event featured speakers from [The 519](#), a Toronto agency committed to the health, happiness and full participation of the LGBTQ2S+ communities.
