

30% Club Announcement

September 28, 2016

Bereskin & Parr has recently become a member of the 30% Club Canada.

As a member, our firm supports the notion that it is good business practice to have women holding 30% of board seats in Canada as well as stronger representation in C Suites. As a key member of Canada's business community, we share the aspiration to collectively reach this goal by the end of 2019.

Bereskin & Parr believes that valuing and enhancing diversity and inclusion will help us attract and retain the best talent and better serve our clients' needs in an evolving global marketplace.
