Experience

Alain Alphonse is an associate at Bereskin & Parr LLP and a member of the Electrical & Computer Technology practice group. His practice includes all aspects of patent prosecution and filing, having experience with both Canadian and United States patent applications.

Alain completed his B.A.Sc. in electrical and systems engineering at the University of Ottawa. He also received a J.D. from the University of Ottawa and a J.D. from Michigan State University.

Alain was both a summer and articling student with Bereskin & Parr. He also worked as a patent consultant for a patent agency firm.

Alain is fluent in French and English.
