Experience

Justin Philpott is an associate with Bereskin & Parr LLP and member of the Electrical & Computer Technology practice group. Justin's expertise focuses on all aspects of patent prosecution.

Prior to being called to the Ontario Bar in 2018, Justin was a summer student as well as an articling student with Bereskin & Parr. While at Osgoode Hall Law School, Justin was recognized with a Student Honour Award from the Legal & Literary Society, as a member of the graduating class judged to have made significant contributions to the community at Osgoode Hall.

Before starting his legal career, Justin graduated with an MBA from the Odette School of Business, where he attained the highest GPA in the first three modules of the program.

Additionally, he holds a Master of Applied Science in Environmental Engineering from the University of Windsor, where he won a Sustainability award from the Faculty of Engineering, given to students with exceptional academic accomplishments in the field of sustainability. Justin was also a research assistant, working in an Environmental Engineering lab focused on bio-hydrogen production, conducting experiments and performing equipment maintenance/calibration.
