Experience

Reshika Dhir is a partner with Bereskin & Parr LLP. Her practice focuses on drafting and prosecuting patent applications with a particular focus on electrical and software-based innovations.

Reshika has gained valuable industry experience while working as a physical designer in semiconductor industry and a system designer in nuclear industry. Reshika enjoys learning about new technologies and helping startups and high-tech entrepreneurs with developing an effective IP portfolio.

While obtaining her degrees Reshika won several awards and scholarships, most notably the Ontario Professional Engineers Foundation Medal at Queen's University for the highest standing in the final year across all programs in the Faculty of Applied Science. Reshika was also the first place winner at the Mathews Dinsdale & Clark LLP 12th Annual Canadian Labour Arbitration Competition at Osgoode Hall Law School.

Prior to being admitted to the Bar, Reshika was both a summer and articling student with the firm.

Reshika is fluent in Hindi and Punjabi.
